Continuation of Substance of Interview including description of the general nature of what was discussed: I called to inquire on the disposition of the case. Mrs. Andersen informed me that the attorney of record was out, however, she would be able to convey a status on the case. Mrs. Andersen then informed me that she could get a decision on the disposition with in a few days. I informed her that this unfortunately would not be possible because the case is abandoned as of today's close of business..
